ABOUT LJWMYF

HISTORY

The Lucas James Williams Memorial Youth Fund, LTD is a 501c3 nonprofit organization that exists to offer free outdoor programs and activities for youth, families, and community. Based in Bakersfield, Vermont, the organization was formed by the Williams family in honor of their son and brother, Lucas. Lucas was a 19-year-old Bakersfield resident and U.S. Marine who died during Operation Desert Fox in Kuwait on December 22, 1998. Lucas had a passion for the outdoors and a vision for a place for youth to gather and have fun. His family and countless volunteers have worked diligently to make his vision a reality. Thousands of people have been positively impacted over the past two decades.
